Accounting Firm Details

Employers are required to provide the details of the accounting firm that looks after their contribution to VNPF. There can be one accounting firm active at a time. If the employer wishes to change an accounting firm, then they can provide an end date to the existing accounting firm. After that they can add a new accounting firm that takes care of their contribution. If you don't have any accounting firm taking care of your contribution you can end all the accounting firms added or not required to add any accounting firm in this page.
