VNPF Member Count 2023

1. In 2023, the total number of registered active members reached nearly 100,000, with 61% being male and 39% female. The male membership significantly exceeds the female membership, with 61,021 male members compared to 38,831 female members. Consequently, males possess 45% more VNPF savings than their female counterparts.
2. The number of new members registered in 2023 was 9,252, marking a substantial increase from 5,513 new members in 2022. As a result, the total membership grew from 92,172 in 2022 to 99,852 in 2023.
3. The largest demographic among members is the 31 to 40 age group, which comprises 25,567 individuals. However, the group with the highest savings is the 41 to 50 age range, collectively holding nearly VT 9 billion in savings. Overall member savings have seen a decline since the implementation of the Age 47 Partial Withdrawals, allowing members to withdraw up to 50% of their savings upon reaching 47 years of age.
